

Camp Hope Update

Cindy Hovland-Scaife returned to update us on Camp Hope, a wonderful weekend camp for grieving children who have lost a loved one. Our club has been donating to this great camp in Rosholt since she first presented this program to us 3 years ago. Children stay for the weekend at no cost to the families, have fun, swim, fish, and do crafts. They have a special candlelight ceremony on Saturday nights where the each light a candle on give a memory of their loved on, be it a sibling, a parent, or a grandparent. Cindy's own daughter Kailey was an attendee this year, because her grandma passed away at the age of 57. Kailey brought us her quilt and her journal from camp. The club will definitely continue to support this great cause.

Steve Ripsch was a guest of Harvey Miller's. Steve is very familiar to the club, working at many a Pancake Day in the kitchen with member wife Sue. Sue has new additional duties with Mercy Health System and won't be in Janesville at all on Thursdays. Happily, Steve is jumping in and joining the club in her place. We will be learning more about Steve in the future!

Also here as a guest today was **Lt. Governor John Newhouse**. John updated us on the proposed restructuring which will make the future Lt. Governor's job much easier. We need to decide as a club if we want our delegates to vote for or against the restructuring at International.
