Program: Frank Perrotto, United Way of North Rock County

Frank Perrotto, Campaign Chair for the United Way of North Rock County, was our program today. Frank has been involved with the United Way since 1990. The campaign theme is "Mobilizing Our Communities and Improving Lives. Last year 67,000 lives were impacted for the better through United Way. 90 programs and 40 agencies are involved in the process. This year's fund raising goal is \$2,000,000. Frank was quick to point out that 87% of the funds collected are put to use in helping those in need. The cost of administration is very low. United Way is currently looking at changes on program funding. Review and prioritization of needs will be done and the results communicated. The intent is to demonstrate that the United Way is making the best use of donations provided.
