### Program: Pete Keeley, Blackhawk Golden K Truck on the Ice Fundraiser

Golden K was thankful for our support helping in their fundraiser. The intent is to sell tickets for predicting when the GM truck built by the Golden K will sink through the ice. Pete offered ideas on how to sell stocking tickets. Possibly as stocking stuffer for child which teaches charity & sharing, you can buy yourself, or a couple other ideas. This is a good cause because it is a charity for children of Rock County.

The truck on the ice discussion took the whole time and the actual speaker (Al Schuetz) was not able to give a complete program, so he will come back when he will be able to give a complete program. He gave a "teaser" about his topic which is on developing and improving startup businesses overseas.
