Program: Bishop George Carlson, Clergy Appreciation Day

In line with it being Clergy Appreciation Day we had the Bishop George Carlson speaking to us today on how we as members of the community can encourage and support our Pastors. Bishop Carlson suggests we pray for our pastors and express our appreciation to them not only verbally but in writing. We might use our own skills to help the Pastor in his day to day activities. Whenever possible we should squelch gossip and be openly responsive to Clergy suggestion of helping others in the community. Finally, measure the success of your Clergy based on there own merit, not by comparing them to previous Clergy.

Guests:

- Seven members of the Clergy as it was Clergy Appreciation Day
- Brian Connors, guest of Floyd Kowal.
- Students of the Month: From Parker, Britten Grafft and Eric Grimes; From Craig, Kevin Schmalot.
- Parker Key Club: Bonnie Schindler and Alex Brockmann.

Did You Know?

Kiwanis became international with the organization of the Kiwanis Club of Hamilton in Ontario, Canada, in November 1916. However, the organization's official name, "Kiwanis Club," was not changed to "Kiwanis International" until the Constitutional Convention in Denver in 1924.
