Board of Directors Report: Several items were covered including the resignations of **Dennis Hartigan** and **Steve Rasmussen**; a funding request from the Boy Scouts which has already been budgeted, and talk of an online club survey to measure the interest of a Family Day activity coming up soon. Your input is very important on this issue.

President Tom also talked about a recruiting contest from Kiwanis International, involving different colored lapel pins depending on how many members you bring in, and prizes ranged from some nice items from Kiwanis International to spending a day with KI president at headquarters in Indianapolis.

VP Kevin chimed in that locally your first prize would be to spend a day at the office of **Tom Waller**. Second prize is two days.

Program: Today being Kiwanis Day, several committee chairs gave reports. **Jim Holmstrom** discussed Bingo, which starts September 8 at Rock Haven, 7 pm. This is a service we have been providing for many years, and 30+ residents look forward to it each month. Jim has graciously picked up the co-chairmanship along with **George Smith**. If you've never helped at this, give it a try, it is a great hour.

Jim Leeser reported on sponsored youth, including our Key Clubs and our new K-Kids clubs at Madison and Roosevelt.

Irene Stewart talked about this years Christmas party, which will be at the remodeled Armory dinner theater, Thursday December 8th.

Jamin Arn talked about the Kartridges for Kids program, which so far has brought in over \$1500. Arn noted we have just scratched the surface. The club is investing \$500 into a marketing program for the cartridges, and **Lon Haenel** is assisting. Blackhawk Credit Union is now donating used cartridges, and we will be approaching Logli's about a drop box.

Guests:

Chris Isackson, attorney with Carney, Davies, & Thorpe, is back today and has turned in a membership application!

Ace of Hearts Drawing:

Dave O'Leary kept the pot going, drawing the 7 of hearts.

Happy Dollars:

Andy Frelich kept the contest prize thing going, announcing that you could win a day at his shop having a "shot of the Dr."

Kevin O'Leary announced that he *is* a doctor, and he could give you a shot at his office.

Tom Waller was happy about something, but I was laughing too hard at this point.

Jim Damrow had an interesting story about a talking dog. You had to be there.

Upcoming Programs:

9/1 Mary Stone, YWCA
9/8 Fest of Ale Kick Off

Don't Forget BINGO
