Club members interested in attending the international Kiwanis convention in Montreal starting on June 28, 2006 can contact Kevin or Secretary Ed Pulliam for information and registration materials.

The Kiwanis merchandise ordered during the last few club meetings has arrived, and is available for pick up at club meetings. We will start new order sheets next week.

MOTHER'S DAY BREAKFAST:

Is scheduled for Saturday May 13 at the Elk's Club, from 7-11 am (doors open for Mom's at 8). See him or e-mail zachg@angusyoung.com to get more information.

New Trustee and Lt. Governor!

President Kevin announced that Mary Mennis of the Madison West Club is our new trustee, and that our new Lt. Governor is our own **Tom Waller!!!**

Thank you Tom for your willingness to serve Kiwanis!

Ace of Hearts Drawing:

Boy we are getting close. Almost \$1000 will be up for grabs next week because Jim Holmstrom drew the Queen of Spades.

Happy Dollars:

George Mark had two dollars, one for the late Carl Parsons, former member who died recently; and one for the recent election and the "men of power" for whom he could only say "wow". Dave O'Leary was happy to be at Madison school to vote, and then to take part in the Builder's Club meeting where they presented a check to the Leukemia and Lymphoma Society for \$3,164.00! They also had their election for officers that day, and it was refreshing to be around that particular election.

Our Program:

Jessie Hahn and Tim and Linda Martin spoke on Parkinson's Disease Awareness. The APDA is a grass roots organization formed to educate the public about this disease of the nervous system marked by tremors and rigidity and is growing more prominent in occurrence.

It can strike at any age, but before age 50 is rare. It is difficult to diagnose and treat. April is PD awareness month.
