### Guests:

Last year's Parker Key Club President and current US Marine Jessica Sullivan, and her son Gabriel was a guest of Andy Frelich. Shannon Ahrens brought her son Anthony, who was going for his driver's test.

### Notable Returnees:

We welcomed back Linda Benberg from her leave of absence. Daughter Cassandra is now 12 weeks old, so it's back to work and Kiwanis for Linda. We also were happy to have Kevin Apfel back from the Ukraine. Kevin has lots of stories to tell about the living conditions and adoption proceedings in that part of the world. Sounds like a program to us!

### Announcements:

1st Year Parenting newsletter mailing is next Wednesday at 8 AM, Sons of Norway hall. Just show up and check in with Dr. Jack Damrow. (If 4 of our members stay for their meeting, we can count it as an Interclub).

Mother's Day Breakfast is coming up, but our first planning meeting was a dismal show of support. This is NOT a one man effort. Zach can't do it by himself. Club member's support, or lack thereof, for this project will be discussed next week at the board meeting, immediately following our regular club meeting. If you can help with this project, please stay over for the board meeting.

Tuesday, May 2<sup>nd</sup>, the Madison K-Kids will be holding their annual breakfast at 7:20. Please try to attend, and support this club.

Club elections are coming up soon. Please let Dr. Kevin, Dave Wimann or Ed Pulliam know if you are interested in the President Elect position for the next administrative year, prior to next week's board meeting if possible.

District Secretary Mark Finger reminds us of the upcoming deadline for early registration for the International Convention coming up April 15th. Go to the International website for registration information.

Blackhawk Golden K Blue Spruce Sale is Sat., April 22, 2006, 8 AM to 4 PM at Rock County Fair Grounds, Randall Ave. Entrance. They are selling: Colorado Blue Spruce & Eastern Arborvitae. These are 4 year old transplants, selling for \$1.50 each.

To guarantee order, reserve in advance by calling 608-756-9627 or 608-752-1613

### Ace of Hearts Drawing:

That elusive Ace of Hearts finally showed itself, thanks to a lucky draw by Eric Garvin. Eric took home \$481.00, including over \$200 in ones. He said something to Ed about knowing a place where a lot of dollar tipping is required. Ed said he didn't know what he was talking about.

### Happy Dollars:

We can't imagine why Dr. Kevin was happy to have fallen for a phishing scheme in an email, purportedly from Chase Bank. Eric Garvin had a dollar for a bad joke (he should have more happy dollars next week, we think). Linda Benberg was happy Dave O'Leary and Tom Waller for taking over Fall Fest of Ale for her this year. Kevin Apfel was happy for two beautiful kids. Jessica was happy for her son and for being home for the first time in a year and a half. Ed was happy to have Jessica and Gabriel with us.

### Our Program:

Carol Larson and John Miskowski from Wisconsin Public Television spoke to us about their production of a television program on the history of Janesville. The Janesville program is part of a series on the history of various towns and cities in Wisconsin. The idea is to tell the history of Wisconsin through the histories of some of its communities.

May 8<sup>th</sup> will be the debut of the Janesville program on PBS at 8:00 PM

Thanks to Dr. Ryan VanRoo for taking the notes. Members having information for future newsletters can email [editor@janesvillekiwanis.org](mailto:editor@janesvillekiwanis.org).

Kiwanis is a global organization of volunteers dedicated to changing the world, one child and one community at a time.
