### June 22 Meeting Highlights

We had 24 members and one speaker today, thought it was a round table.

**Guests:** None

**Announcements:** Dave O'Leary has called for a meeting of the Fest of Ale committee for next week.

**50/50 drawing:** Dr. Jason Stuckey Drew the 2 of Diamonds.

**Happy Dollars:** Dr. Jim Damrow was happy for moving his office to the Westside tomorrow. He was also happy that no citations were issued at the bachelor party he attended this past weekend. George Mark was happy our singing is improving. Dr. Jason Stuckey was happy for the at home birth of his son six weeks ago.

Jennifer Keach was our speaker today. Jennifer is the Rock County Coroner and has been on the job since our previous Coroner Karen Gilbertson was relieved of her duties.

Jennifer just happened to be applying for an internship at the Coroners office the day it was announced that Gilbertson would be replaced so she applied for the job instead and the rest is history. Just goes to show timing can be everything.

Jennifer informed us that the Coroners job is to investigate the cause of death, to determine the how and why. By doing this they assist in helping families to gain closure and help law enforcement in determining if a criminal act occurred. If you are familiar with CSI Las Vegas or New York or Miami it's not like that at all as she usually can't get the case solved in an hour.

Thanks to David O'Leary and David Fleig for taking the notes. Members having information for future newsletters can email [editor@janesvillekiwanis.org](mailto:editor@janesvillekiwanis.org).
