Program

Congressman Mark Green,

Candidate for WI Governor

Congressman Paul Ryan and Congressman Mark Green were in the house today.

Congressman Green is out campaigning for election to Governor so Congressman Ryan was chauffeuring him around the county.

Congressman Green is a fellow Kiwanian from Greenbay.

He stated that he enjoys the process of running for election for two reasons; number one because he gets to attend a myriad of festivals like Walleyefest, Bratfest, and Chocolatefest and the second reason is because he is so uplifted by meeting the great people of Wisconsin.

Congressman Green feels that people are the answer to the problems that face the State of Wisconsin. Currently the group of individuals between the ages of 20-30 are leaving the state at an alarming number.

He feels that in order to keep this group of future leaders here in the state we must lower the tax burden, invest in business, continue to build a quality educational system, get the University system back to its once great position, create good paying jobs and grow the economy.

He didn't actually get into the nuts and bolts of how to accomplish all this but he only had 20 minutes, if you would like to learn more you can visit his website at www.votemarkgreen.com

Members should note that Governor Doyle's campaign has been contacted, and the Governor has also been invited to speak to our club.

Thanks to David Fleig for taking the notes. Members having information for future newsletters can email editor@janesvillekiwanis.org.

Kiwanis is a global organization of volunteers dedicated to changing the world, one child and one community at a time.
