The committee is meeting to discuss moving next years event to a larger location...stay tuned!

Any business willing to sponsor an ad in the Fest program should contact Kevin Apfel or Jim Damrow or Tom Waller! Remember this is a fundraiser for our club, but it is good advertising for your business based upon the popular demand for tickets!

### Ace of Hearts:

Andy Frelich drew the 10 of spades! The pot continues to grow, with \$342.00 rolling over.

### Happy Dollars:

Ed insisted on moving along without happy dollars, to give our speaker more time.

### Program:

Rev. John Grover, District Supervisor, Free Methodist Church spoke about the appreciation we all feel for our clergy. Three points to his sermon/lecture:

1. Clergy are the conveyors of the truth to the public. In the business of helping people develop moral fiber!
2. World View has changed in the last 50 years! 50 years ago we all shared a common view of the world, but now extremist views such as Saddam Hussein are growing. Post Modern view includes philosophy of not telling people what to believe, but only conveying facts and letting them make up their own minds.
3. Clergy have become targets of frustration. As figures of authority, they are often targets of misplaced anger.

Overall message: Thank you to the clergy for their faithful service!

Thanks to David O'Leary for taking the notes. Members having information for future newsletters can email [editor@janesvillekiwanis.org](mailto:editor@janesvillekiwanis.org).

Kiwanis is a global organization of volunteers dedicated to changing the world, one child and one community at a time.
