Students of the Month:

Aaron Santas, from Parker High was, once again, our only Student of the Month.

Guests:

Jim Leeser joined us while on break from seminary. Jim also attended Madison K-Kids meeting on Thursday. See the announcements for information on that.

Nicole Bole from Kandu Industries & President of the newly formed Aktion Club was also a guest.

Announcements:

Nicole Bole – Kiwanis One Day- April 7 –Aktion club will be preparing Care packages for the troops. (Since our club has nothing planned for Kiwanis' One Day, a group of our members helping the Aktion Club would be a wonderful way to participate).

Chris Isackson – Bloodmobile @ Bethel Baptist, April 2 - 4

Dr Jim Damrow – Pancake Day – NEED WORKERS – Call Dr Jim if you can help out @ 754-3696 Help is still needed for setup and on Saturday, especially 2nd shift, starting at 10:30 AM.

Merlin –Interclub attended on Tuesday but I missed the attendees

Pres. Dave – April 26th – Charter Meeting for Aktion Club. WI-UM Governor Mike Fitzpatrick will be attending. It would be nice to have a good turnout of our members to honor our newest sponsored club.

Ace of Hearts Drawing:

Mike Costello drew the 8 of Clubspot of \$236.00 rolls over!

Happy Dollars:

Dale Halverson – will be in FL next week.

Mike Costello – happy to have Jim Leeser here.

Ben Coopman – no snow in the forecasts.

Pres Dave – his oldest son has been admitted to the National Honor Society.

Ed Pulliam – was happy to be helping the kids and keeping them out of the landfill

Program:

Addison Bohannon provided an interesting program about his experience at West Point Academy. He is currently a second year cadet there.

Addison is a graduate of Parker High School . He was active in sports such as Football and Wrestling. He also took advanced classes in math and physics.

Addison pursued the Academy to challenge himself academically and physically as well as to serve his country. The first year was mainly learning respect and about the Academy.

The second year has been more advanced individual training including field operations and artillery. Addison will graduate with a bachelor's degree and a commission as a 2nd Lieutenant.

Meeting young men like Addison somehow makes me feel more comfortable with the future of our Nation.

Thanks to Jim Holmstrom for taking the notes. Members having information for future newsletters can email
