Songs:

Brian Hanson returned to lead us in two songs. I did not get the names because I was too shocked we were on key for a change.

Guest Speaker:

Dr. Jim presented a slide show remembering his father and our friend, Dr. Jack. For those of you who missed it, you should not be surprised to learn that Dr. Jack was smiling in almost every single picture (he was sleeping in at least one!)

Dr. Jack graduated from high school in 1942 and was VERY disappointed that he was not medically fit for military service in WWII. Dr. Jack joined the Janesville Kiwanis club in 1954 and served the community for 53 years with the club. He missed only two pancake days in 53 years...a leader by example. He was president of our club in 1960. He was most proud, even as humble as he was, to talk about his wife, children and grandchildren. Lest we forget...

The Damrow family presented the club with a check for \$1,000 for a memorial for Dr. Jack.

Thanks to David O'Leary for taking the notes. Members having information for future newsletters can email editor@janesvillekiwanis.org.
