George had a buck for the person Harvey mentioned.

Dr. Damrow had a buck for the Mass said for his father this past weekend and the attendance of many O'Leary clan members.

The Show:

Ellen Niemann was in the house from Huntington Place.

The topic of her discussion was knowing the Signs and Signals

of our elderly parents and friends so that a decision can be made to move to assisted living. Everyone wants to maintain their independence for as long as possible, but there comes a time when we simply must have help. Some of the signs we need to be aware of are:

Is the individual taking care of themselves, bathing and changing cloths daily.

Are there stacks of unopened mail or overdue notices strewn about?

Newspapers lying on the front porch.

Missing appointments, Doctor or otherwise.

Are medications being taken as prescribed?

Is the normally spotless home suddenly taking on a messy look?

The car has new dents and scrapes or is parked poorly.

The fridge has rotten food in it.

All of these are signs that something may be wrong and discussions must be had to determine if the individual needs help in maintaining themselves. Having read thru this list Ed has determined to take Andy aside and discuss getting him in touch with Ellen.

Thanks to Dave Fleig for taking the notes. Members having information for future newsletters can email editor@janessvillekiwanis.org.
