Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time.

July 31, 2008, Vol. XXVI, No.43

The "Rebirth" of the Club Administration Meeting

Invocation: Given today by seminarian/guest Jim Leeser, who is serving an internship at St. William church again this summer. Jim reports that he recently returned from Australia, at the World Youth Conference. While there he came close to Pope Benedict. There were 400,000+ camping out at this event. A lot of sleeping bags!

Announcements: TALLMAN ARTS FESTIVAL IS THIS SUNDAY AUGUST 3RD! If you signed up don't forget to come work your shift to serve ice cream and cake. One more second shift worker could be needed, please contact Ed Pulliam at secretary@janesvillekiwanis.org or 752-8985 if you can work so your name can be added to the worker list and you can get in to the grounds for free.

Ace of Hearts: continues to grow as Ben Coopman pulls the 6 of hearts, bringing our pot at \$600! Only 13 cards left!

Happy Dollars: Ed Pulliam was happy to compare that in his day, 400,000 camping out was called Woodstock.

Andy Frelich scrounged up \$1.00 in change to report he was happy to get to the concert on the square in Madison last weekend. No, he had nothing to do with the bomb scare.

Jim Damrow reminisced about the great Kiwanian Rollie Strommen who passed away two weeks ago. Rollie was all about Kiwanis, and will be greatly missed.

Program:

Today was a much needed internal program about the state of our various committees and where we are going as we head into a new administrative year. Our PR committee has a new chair, Lori Hum Eckert, and will be working to get the word out about our great club and what we do.

Our Membership Committee, made up of Dr. Ryan Van Roo, Jayme Roth, and Dr. Kevin O'Leary, has some great ideas about how we will attract and retain new members in the next year. This will include an orientation lunch, where new members learn all about the club and what is expected of them, as well as working on our meeting structure, and contacting less active members to see how we can get them involved again.

Along those lines, we need a volunteer to take new pictures for our new membership directory, updating our last one from 5 years

ago. Or you can send a head shot to Ed Pulliam, secretary@janesvillekiwanis.org if you have one.

Dr. Ryan Van Roo talks about the work of the Membership Committee while Prez. Harvey and Prez Elect Ben look on.

We would like help with programs, traditionally the job of the President-Elect. This will free this person up so other preparation can be accomplished for the new president, as well as provide diverse programs for the membership. We would like all members to get involved in getting programs, and are working on a way to organize this to avoid overlap, etc. If you have a good program you can contact Ben Coopman or incoming president elect Jayme Roth with this information.

We would like to spruce up our Students of the Month program, making them more involved in our meetings, and dispersing them out among the members during the meeting, learning more about them, etc. Anyone who would like to help with this important task please step forward.

IMPORTANT: INFORMATION FOR NEXT WEEK'S PROGRAM:

Next week we will be having Bonnie Robinson from the Janesville Foundation speak to our club. Bonnie will particularly be talking about SPARKS, a new initiative the foundation is supporting, and would like us to go on to their website ahead of time to learn about it:

www.janesvillefoundation.org and look for information on SPARKS. Come with your questions and input, Bonnie would like to hear from us!

Thanks to Dr. Jim Damrow for taking the notes. Members having information for future newsletters can email editor@janesvillekiwanis.org.
