There wasn't a single Kiwanian happy today!

Program: "The Flood of 2008"

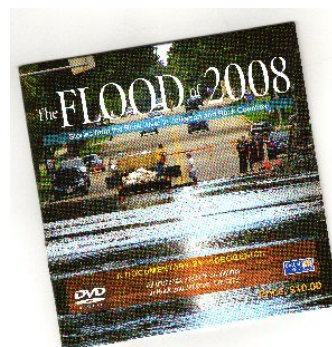

Howard Gage from Videogenics was in today to show us a portion of the Rock County Flood Video put together by his late son John.

John was killed in a car accident when he had only the final few minutes of this project to complete.

The video documents the flood that occurred this past summer and is being sold to raise funds for the flood victims.

If interested in acquiring a copy you can call the United Way at 757-3040. The video is also available at the East Side Sentry Foods, and other retail locations.

Thanks to David Fleig for taking the notes. Members having information for future newsletters can email editor@janesvillekiwanis.org.
