City Manager: 3 Keys for the Future

Students of the Month:

From Craig we had Keith Wright, and from Parker it was Alisha Truman and Dan Lancous, who came in too late for introductions due to a calculus test.

Parker Key Club:

Secretary, Heather Keehn, Hailey Stevenson, Emily Punzel, Jessica Rennie.

Announcements:

Dr. Jim gave a brief report on Pancake Day, we were down a little in attendance, but an overall success.

Mothers Day Breakfast is May 9, much help is needed collecting gifts and working.

The sign up sheet is looking a little light. You can sign up online at: http://janesvillekiwanis.org/members_only

You will need your super secret username and password (hint: 1child, 1community).

Ace pot drawing:

Big Donny Chapin pulls the 3 of Diamonds and the pot rolls over.

Happy Dollars:

Andy is happy pancake day is over.

DA David happy for the help given by the Key Club at Pancake Day.

Rob Terry happy for Michelle Z and her family heading the Coffee Deployment

Program:

Janesville City Manager Eric Levitt was in the house telling us about Janesville and what he feels are the three key areas for the future.

With the economy in the basement he feels we need to concentrate on economic development, job creation and caring for those who have been hit hardest.

In addition the city is trying to gain funds from the Obama stimulus package, something in the ten million dollar range. Finally being a fiscal conservative he has to weigh costs of facility maintenance aka: Ice Arena, Fire Station #1, Tallman House vs. how much can fit into the budget.

Thanks to David Fleig for taking the notes. Members having information for future newsletters can email editor@janesvillekiwanis.org.
