#### Report from Pancake Day:

Our 55<sup>th</sup> annual Pancake Day made a triumphant return to Craig High School after a 2 year absence due to construction. It was a fabulous day as the large, beautiful new cafeteria and kitchen made our job much easier in terms of layout, traffic flow, and dining space. Over 1500 people were served, up a little from last year, but more

importantly we got rave reviews all day.

Ed spoke to one couple that were there for the 44<sup>th</sup> year in a row. Many children were happy to eat lots of pancakes and get a balloon. We had great help from both Craig and Parker Key Clubs, with many Craig kids serving as ambassadors for their school, guiding people down the hall to the stairs to the cafeteria. Parker kids were a great help in the dining room and with the balloons.

Many thanks to go around, but special mention must be made to Ferrelgas for providing the propane, Captain Clean for delivering and storing our pancake apparatus, Sentry Foods for helping expedite the food order, Janesville Rental for the helium, and especially to Andy Frelich and Jax Graphics for their help with the placemat.

Oh, and the Pancake Girls were there—a group of about 4 now college age girls who look forward to Pancake Day about as much as they look forward to Christmas morning. They had special T-shirts made up, Dr. Kevin got some pictures that we will try to share.

If you have some pancake money to turn in, or business sponsor checks to round up, please get it to Jim Damrow as soon as possible.
