### Program:

As Rob Terry was informed earlier this week that the Dean Hospital/Clinic show would not be able to make it today he took it upon himself to be the show much to the delight of all present. Rob regaled us with his recent involvement with the Janesville Gazette's hosting of the Taste of Home cooking show presented at the Pontiac Convention Center. As a major sponsor of the event Sentry foods had it's local managers on stage to help in the cooking of the various sample meals. At one point Rob and his fellow managers found out only moments prior to going on stage that they would be required to wear chicken hats, you had to be present to see this as I don't believe Ed got a photo.

Rob's other topic of conversation today was on Milorganite fertilizer which is made from the left over sludge of water treatment plants in Milwaukee, quite the combination of topics for today's show. The bottom line is the stuff really can make your lawn look good. Rob receives no royalties for "spreading" the word on this fine and safe fertilizer.

Schedule for upcoming shows at our meetings per Rob Terry is:  
June 3rd Heather Walz , Fellow Kiwanian (Boys & Girls Club)  
June 17th Rod Jones & Mark Dweyer (Rotary Gardens)  
July 1st Kelsey Burton American Red Cross, ( Preparing for a Natural Disaster)  
July 15th Terry Huber (Farmer's Market)  
August 5th David & Mary Olson from Pork Industry
